### WCFHBA Green Building Council Mission Statement

The Wilmington-Cape Fear Home Builders Association Green Building Council strives to promote voluntary, market-driven green building standards and practices to the residential and commercial development communities in our region. The Council encourages WCFHBA members to participate in green building by offering educational opportunities on green building practices and providing a venue for networking and marketing for WCFHBA Green Building Council members.

Due to a recent change in the law, we need your signed permission to keep you informed of programs and events that can increase your knowledge of your industry and increase your business's bottom line. I understand that by providing above my mailing address, email address, telephone number, and fax number, I consent to receive communications sent from the Wilmington-Cape Fear Home Builders Association, the NC Home Builders Association and the National Association of Home Builders via U.S. mail, email, telephone or facsimile at the numbers/location. **Please be assured that your email address will be treated with confidentiality.**
